

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding is executed on this 24th day of February 2026,

BY AND BETWEEN

ISO College, Hyderabad, Telangana, a duly recognized educational institution, (hereinafter referred to as the “First Party”)

AND

Cleancode (Curiosity iTech Private Limited), a training and skill development organization, (hereinafter referred to as the “Second Party”).

The purpose of this MoU is to establish a collaborative framework for conducting a structured **30-Day Internship Program in Artificial Intelligence (AI) and Machine Learning (ML)** for the students of ISO College.

This collaboration aims to enhance students’ practical exposure, technical proficiency, and project development capabilities in emerging AI/ML technologies.

2. Scope of the Internship Program

Cleancode agrees to conduct a structured internship program with the following details:

- **Program Duration:** 30 Days
- **Session Duration:** 1 Hour per Day
- **Mode:** Online / Offline (as mutually agreed)
- **Domain:** Artificial Intelligence & Machine Learning

Training Modules Include:

1. Introduction to Artificial Intelligence & Machine Learning
2. Python Programming for AI/ML
3. Data Collection and Data Preprocessing
4. Introduction to Machine Learning Algorithms
5. Model Training and Evaluation Techniques
6. Basic AI/ML Project Development

3. Project Work & Evaluation

1. Each participating student shall be assigned an individual AI/ML project.
2. Students are required to:
 - Develop the assigned project independently.
 - Apply the concepts learned during the internship.
 - Submit the completed project at the end of the program.
3. Project submission is mandatory for successful completion of the internship.
4. Cleancode shall evaluate project submissions based on predefined criteria.

4. Roles and Responsibilities

4.1 Responsibilities of Cleancode

Cleancode shall:

- Provide qualified trainers and technical mentors.
- Deliver structured and industry-relevant AI/ML training sessions.
- Assign individual projects to students.
- Provide continuous mentorship and technical guidance.
- Evaluate project submissions.

- Issue Internship Completion Certificates to students who fulfill attendance and project requirements.

4.2 Responsibilities of ISO College

ISO College shall:

- Nominate eligible students for participation.
- Provide necessary infrastructure and facilities (if the program is conducted offline).
- Ensure regular student attendance and discipline.
- Appoint a coordinator for effective communication and smooth execution of the program.

5. Certification

Upon successful completion of:

- Minimum required attendance (as mutually decided), and
- Submission and approval of the assigned individual project,

Students shall be awarded an **Internship Completion Certificate** issued by Cleancode.

6. Duration of Agreement

This MoU shall remain valid for the duration of the 30-day internship program unless extended or terminated by mutual written consent of both parties.

7. Financial Terms

Financial arrangements (if applicable), including program fees, payment schedule, or revenue-sharing model, shall be mutually agreed upon in writing and appended to this MoU.

If the internship is conducted free of cost, it shall be clearly stated in an annexure to this agreement.

8. Confidentiality

Both parties agree to maintain confidentiality regarding proprietary information, training materials, institutional data, and any other confidential information shared during the course of this collaboration.

Such information shall not be disclosed to any third party without prior written consent from the concerned party.

9. Termination

Either party may terminate this MoU by providing written notice to the other party if:

- The terms and conditions of this agreement are not fulfilled, or
- There is a mutual agreement to discontinue the collaboration.

Termination shall not affect the rights and obligations already accrued during the period of validity.

10. Amendments

Any modification or amendment to this MoU shall be made in writing and signed by authorized representatives of both parties.

11. Signatories

This MoU is executed in good faith by the authorized representatives of both institutions on the date mentioned above.
